From

Mr. Bocquet, Chief Inspector of Mines - No 1036 & 6.1.25
(received thro' the amplidier on 16.1.25).

Requests the grant of combined leave for 8 months and subsidiary leave for 10 days from 16th March 1925 and recommends the consequential acting arrangements.

In July 1924 Mr. Bocquet stated that he intended taking combined leave for 6 to 6½ months from March 1925 and that he would return to duty by about the middle of October 25. He suggested that in the circumstances Mr. Beckwith who was under extension for one year from 14th August 19 might be given further extension up to the end of April 1926 with permission to take six months' combined leave from the end of Oct. 1925 after his (Mr. Bocquet's) return from leave. This proposal was approved by Govt in G.O. No 5-30-31/C.B. 10-24-8, dated 28th July 1924.

Mr. Bocquet now wants 8 months & 10 days leave from 16th March 25 or subsequent date of availment: he will be due to return to duty not earlier than 26th Nov. 1925.

Bocquet

Mr. Prichard has also been promised the grant of 1 month & 5 days' privilege leave from or after 1st March 1925. If Mr. Bocquet is permitted to go on leave from 16th March 25 there will be no gazetted Officer of the Peace during the short period (of 20 days) from 16th March to 5th April 25 on the K.G.V. area.

Office of the Chief Inspector of Mines

Dated Oorgaum, 27th January 1925.

Dear Mr. Ramaswamaiya,

With reference to your D.O. letter No.1785/C.B. 10-24-10 dated 26th inst. requesting me to let you know whether I can postpone going on leave till the 5th April 1925 in view of the fact that there will be no Justice of the Peace on the Kolar Gold Field area between the 16th March and the 5th April if I proceed on furlough on the former date and Mr. S. M. Pritchard, Special Superintendent of Police, Kolar Gold Field, does not return from the privilege leave promised him until the latter date. I regret to state that I am unable to accede to the request made as it would entail cancelling our (my wife's and mine) passages home - deposit of £ 40/- already paid - with every likelihood of not being able to obtain others in place of them for several months, the usual spring exodus to Europe being then at its height. Besides all my arrangements are now in hand for going home and it would also mean the alteration of the definite orders passed by Government regarding the supernumerary period of Mr. V. Narayana Rau of this Department.

I have spoken to Mr. Pritchard on the subject and, as he has no objection, would suggest that his privilege leave be antedated by 3 to 4 weeks which would be the simplest and most effective way of overcoming the difficulty.

Trusting that this can be arranged and with kind regards.

Yours sincerely,

R. Bocquet.
